

# PASSENGER AND LIGHT TRUCK TIRE LIMITED WARRANTY AND ADJUSTMENT POLICY

Includes all Applicable Information on  
Tread Wearout Coverage, Road Hazard,  
and Customer Satisfaction Trial

Effective 3/14

In addition to the valuable warranty information you will find in this Limited Warranty and Adjustment Policy we encourage you to visit the Continental Tire the Americas, LLC ("CTA") website at [www.continentaltire.com](http://www.continentaltire.com) (US) and [www.continentaltire.ca](http://www.continentaltire.ca) (Canada) for safety and maintenance information and up-to-date changes including a Customer Care FAQ tab with downloadable brochures. Please also visit the Rubber Manufacturer Association (RMA) website at [www.rma.org](http://www.rma.org).

THIS LIMITED WARRANTY AND ADJUSTMENT POLICY IS NOT A WARRANTY THAT YOUR TIRE WILL NOT FAIL OR BECOME UNSERVICABLE IF NEGLECTED OR MISTREATED.

## 1. ELIGIBILITY

This Limited Warranty and Adjustment Policy ("Warranty") applies to the original owner of new Continental brand passenger and light truck (LT) tires that are (a) new replacement market tires bearing the Continental brand name and D.O.T. Tire Identification Number, (b) operated in normal service, and (c) used on the same vehicle on which they were originally installed according to the vehicle manufacturer's recommendations. Additionally, tires used in commercial service including, but not limited to, taxicabs, police cars, emergency vehicles, non-passenger service vehicles and tires used in competition are not eligible for the Tread Wearout Coverage set forth in Section 4 of this Limited Warranty and Adjustment Policy. Tire(s) on any vehicle registered and normally operated outside the United States and Canada are excluded from eligibility under this Limited Warranty and Adjustment Policy.

## 2. WHAT IS THE WARRANTY AND HOW LONG IS IT APPLICABLE?

### BASIC COVERAGE

Eligible tires are covered by this Warranty for a maximum of 72 months from the date of purchase.\*

### Where To Go for Warranty replacement:

Please return your tires to the Continental brand tire dealer where you purchased your tires or an alternate authorized Continental brand tire dealer. You must present the original sales receipt and proof-of-purchase at the time of your claim.

### Free Replacement Period:

If an eligible Continental brand passenger or light truck tire becomes unserviceable from a warrantable condition, other than those listed under Section 5, during the first 12 months or first 2/32nds (1.6mm) of treadwear, whichever comes first, it will be replaced with a comparable\*\* new Continental brand tire FREE OF CHARGE, including mounting and balancing (excluding online orders). Owner pays all applicable taxes.

\*At the time of making the claim, owner is required to present the tires and original tire proof-of-purchase showing date of purchase. If satisfactory proof-of-purchase date is not provided, the D.O.T. (Tire Identification Number) date of manufacture will be used.

\*\*A "comparable" new Continental brand tire may be of either the same tire line or the same basic construction but with a different sidewall or tread configuration. If You accept a higher-priced tire, You will pay for the difference in price. Any tire replaced under this Warranty will be covered by the then-current Continental brand Limited Warranty and Adjustment Policy.

**Temporary Spare Tires:**

This Warranty also extends to the original owner of the Continental Brand Temporary Spare Tire bearing a Continental D.O.T. serial number. An eligible Temporary Spare Tire under this Warranty must have been operated in normal service, used on the same vehicle on which they were originally equipped and/or installed according to the vehicle manufacturer's recommendations, and display warrantable conditions as described in this Warranty. This Warranty is for a maximum period of 72 months from date of purchase\*, determined by the original sales receipt and proof-of-purchase showing date purchased.

If a Temporary Spare Tire becomes unserviceable from a condition other than those listed in section 5 during the first 1/32nd (0.8mm) of treadwear, then it will be replaced with a comparable new Continental brand\*\* Temporary Spare Tire. Mounting and balancing are included free of charge. You pay all applicable taxes. After this Free Replacement Period for your Temporary Spare Tire expires, no warranty claims will be accepted.

**After the Free Replacement Period:**

The tire may still be eligible for a pro rata replacement for 72 months from date of original purchase\* until the tread is worn down to the tread wear indicators (2/32nds of an inch or 1.6 mm of tread remaining.) If an eligible tire becomes unserviceable from a warrantable condition, other than those listed in section 5, it will be replaced charging the owner a pro-rated amount. Owner pays all applicable taxes (including F.E.T.), shipping, mounting and balancing charges. The replacement tire price will be determined by multiplying the percentage of the useable tread worn by the Dealers Price (excluding all applicable taxes) at the time of the adjustment. The useable tread is the original tread down to the tread wear indicators (2/32nds of an inch or 1.6 mm of tread remaining.) See Page 7 for example calculation. Tires replaced under this Warranty become the property of CTA. You will be required to sign the CTA Limited Warranty Claim Form and/or dealer replacement sales receipt.

**3. CUSTOMER SATISFACTION TRIAL**

All Continental brand passenger and LT tires bearing the Continental name and D.O.T. numbers are covered by the 30/60 Day\*\*\* Customer Satisfaction Trial. If for any reason, other than an excluded condition listed under Section 5, you are not satisfied with your new set of four tires within 30 or 60 days from date of purchase - or the first 2/32nds of an

inch (whichever comes first) - you may exchange all or any one of them for a corresponding number of **the same tires or purchase another set of a different type of Continental brand tires**. The returned tires will be removed and the replacement tires mounted and balanced at no cost to you. If you wish to exchange for another set of Continental brand tires which is at a higher cost, you must pay the upgrade from the original purchase price, including shipping and all applicable taxes (excluding online orders). If you wish to exchange for another set of tires which is at a lower cost, you will receive a refund of the difference in cost.

\*\*\*60 Day Trial Period only available for the TrueContact™, ProContact™ with EcoPlus Technology, ExtremeContact™ DW, ExtremeContact™ DWS, CrossContact™ LX20, PureContact™, ProContact<sup>GX</sup>, and ProContact<sup>TX</sup>.

This applies only to the original purchaser of a new set of four replacement Continental brand passenger tires. **Tires received as original equipment on a new vehicle are not covered by the Customer Satisfaction Trial.**

#### **HOW DO YOU RETURN YOUR TIRES DURING THE TRIAL PERIOD?**

Within 30 days or the first 2/32nds of an inch (60 days for the TrueContact™, ProContact™ with EcoPlus Technology, ExtremeContact™ DW, ExtremeContact™ DWS, CrossContact™ LX20, PureContact™, ProContact<sup>GX</sup>, and ProContact<sup>TX</sup>) from the date of purchase, you must return your tires to the Continental brand tire dealer where you purchased your tires or an alternate authorized Continental brand tire dealer. You must present the original sales receipt and proof-of-purchase, along with this Warranty. **Reason for dissatisfaction must be explained to the dealer (appearance, ride, handling) and noted on the dealer-supplied copy of the CTA Limited Warranty Claim. The form must be signed by the consumer. The replacement proof-of -purchase showing the purchase of another Continental tire(s) must accompany the form and tire return.**

## **4. EXTRA COVERAGE**

Continental brand tires are eligible for additional protection under this Warranty as follows:

#### **Tread Wearout Coverage**

The Continental brand tires listed below in this Section 4 are warranted against wearout up to the mileage/ kilometers coverage indicated, even though the actual mileage/ kilometers you may get from your tires may vary because of driving habits and road conditions. Subject to the provisions of Section 5 and 7 below, if one of the tires listed in this section wears out before the stated mileage/ kilometer coverage, CTA will warrant

the tire on a pro-rata basis as indicated herein. “Wearout” means that the tire’s tread has worn evenly down to the tread wear indicators (2/32nds of an inch or 1.6 mm of tread remaining.) “Pro-rata” for this Tread Wearout Coverage is measured by the odometer readings at the time of the tire’s purchase, as shown by the original tire receipt and proof-of-purchase, and the odometer reading at the time of replacement. In addition, you must present a fully completed, legible Rotation Schedule, which is found in the original owner’s copy of the tire’s Warranty.

- Tire(s) that have not been rotated at least every 6,000 to 8,000 miles (10-13,000 Kilometers), as evidenced by a completed Rotation Schedule, are excluded from this coverage.
- On vehicles with staggered / split fitments (different size tires on front and rear axle), tires can not be rotated between the front and rear axle. Without rotation of tires between the front and rear axle, the expected mileage / kilometers before wearout is significantly lower, especially on the rear axle. Therefore, the tread wearout coverage for tires on the rear axle of these vehicles will be 50% of the standard tread wearout coverage for the product line.
- Tire(s) in service for more than 72 months, regardless of mileage, are not covered.

The owner pays shipping, mounting, balancing and all applicable taxes (including F.E.T) under the Tread Weaout Coverage.

You will receive a comparable\*\* new Continental Brand tire with payment of the replacement price based on the percentage of actual mileage/kilometers received to the mileage covered. Your replacement cost will be determined by dividing the actual mileage delivered by the miles/kilometers warranted and multiplying the result times the current price of an equivalent or comparable replacement. See page 7 for example calculation.

### Sample Calculation:

The tire you present for warranty has a Tread Wearout Coverage of 60,000 miles. At the time of the tire purchase, the vehicle's odometer reading was 20,000 miles. At the time the tire was presented for warranty, the vehicle's odometer reading was 65,000 miles. You also present a completed and up to date Tread Wearout Coverage Rotation Schedule and the tire(s) are worn evenly down to 2/32nds of an inch (1.6mm) of tread remaining, according to the Tread Wear Indicators.

### Determine the milage received on adjusted tires:

65,000 miles - 20,000 miles = 45,000 miles

### Determine Your pro rata replacement tire cost percentage:

$45,000/60,000 \times 100 = 75\%$  (round to the nearest whole percentage)

**Your pro rata cost for the replacement tire is determined by multiplying the percentage of mileage received (75%) by the current purchase price for the replacement tire (ex. \$130.02)**

Example calculation is:  $75\% \times \$130.02 = \$97.52$

You pay the equivalent pro rata cost for the tire plus all applicable taxes (including applicable F.E.T.), shipping, mounting and balancing, local tire disposal fees and any other parts or other services.

### Road Hazard Coverage

This Road Hazard Coverage is offered to promote goodwill and is not a warranty that your tire will not fail or become unserviceable due to a road hazard. **This Road Hazard Coverage applies to all Continental Branded**

**Tires that are purchased as new replacement market tires and is a promise of replacement under the conditions specified below.**

When an eligible tire has a road hazard condition during the first 2/32nds of an inch (1.6 mm) of treadwear or first 12 months from date of purchase, whichever comes first, the tire will be replaced with a comparable \*\* Continental brand tire free of charge. A road hazard condition is defined as a cut, snag, puncture, bruise, or impact break.

To be eligible, you need to present the tire(s), your original sales receipt and proof-of-purchase showing the date of purchase, along with this Warranty. You are responsible for payment of all applicable taxes, demounting, shipping, mounting and balancing charges set forth under this Coverage. You are also responsible for payment of local tire disposal fees and any parts or service regardless of mileage or months of service. This includes payment for tire rotation, alignment, towing, road service and valve stems.

## **5. WHAT IS NOT COVERED BY THIS WARRANTY:**

- **CTA does not warrant any repaired tire.**
- **Road hazard:** Any road hazard condition after the first 2/32nds (1.6mm) of an inch of treadwear or 12 months of service, whichever comes first.
- **Ride Vibration:** Any ride/vibration condition after the first 2/32nds (1.6 mm) of an inch of treadwear or 12 months of service, whichever comes first.
- **Improper operation or maintenance:** This includes, but is not limited to, effects caused by:
  - I Improper tire inflation and/or improper load/speed practices.**  
These practices can cause excessive operational temperatures and stresses that exceed the tire's capabilities.
  - II Improper or insufficient tire rotation:**  
Any tire with premature or irregular wear caused by failing to follow the recommended tire rotation pattern and/or mileage intervals as delineated by this Warranty.
  - III Wear due to Improper vehicle alignment:** includes but not limited to uneven, irregular, or spotty wear, cupping or feathering.

#### **IV Damage due to:**

- Rim irregularities or rim damage
- Snow chains
- Vehicle mechanical problems, including brake problems, and vehicle wheel alignment
- Extreme temperature exposure
- Negligent and abusive driving such as tire spinning, or racing
- Improper tire storage
- Automotive accident
- Chemical corrosion or Fire
- Use contrary to the vehicles manufacture's tire recommendations
- Improper stud size and/or installation

#### **• Improper Mounting or Demounting**

- **Alteration:** such as, but not limited to, adding a white inlay on blackwall, tread regrooving, tire truing or siping, or adding sealant materials to the tire.
- **Weather checking/cracking:** Not covered after 48 months from the date of purchase.
- **Failure to observe safety and maintenance precautions set forth on CTA's website [www.continentaltire.com](http://www.continentaltire.com).**

## **ATTENTION AUTHORIZED DEALERS:**

**CTA RESERVES THE RIGHT TO THE FINAL INSPECTION DECISION ON CONDITIONS FOR ALL RETURNED TIRES UNDER SECTION 5. THIS WARRANTY IS MADE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AND CTA EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. SOME U.S. STATES AND/OR CANADIAN PROVINCES DO NOT ALLOW LIMITATIONS ON THE DURATION OF AN IMPLIED WARRANTY, SO THE ABOVE MAY NOT APPLY TO YOU. TO THE EXTENT PERMITTED BY LAW, CTA DISCLAIMS LIABILITY FOR ALL CONSEQUENTIAL AND INCIDENTAL DAMAGES. THE REMEDIES SET FORTH IN THIS LIMITED WARRANTY ARE THE SOLE AND EXCLUSIVE REMEDIES FOR BREACH OF WARRANTY. SOME U.S. STATES AND/OR CANADIAN PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM U.S. STATE TO STATE OR CANADIAN PROVINCE TO PROVINCE.**

**THIS IS THE ONLY EXPRESS WARRANTY MADE BY CTA. NO CTA EMPLOYEE, RETAILER, OR DEALER HAS THE AUTHORITY TO MAKE ANY WARRANTY, REPRESENTATION, PROMISE OR AGREEMENT ON BEHALF OF CTA EXCEPT AS EXPRESSLY WRITTEN IN THIS LIMITED WARRANTY AND ADJUSTMENT POLICY. IN OBSERVANCE OF U.S. FEDERAL LAW, THIS LIMITED WARRANTY AND ADJUSTMENT POLICY HAS BEEN DESIGNATED A "LIMITED WARRANTY". CTA DOES NOT INTEND TO REPRESENT THROUGH THIS LIMITED WARRANTY AND ADJUSTMENT POLICY THAT TIRE FAILURES CAN OR CANNOT HAPPEN.**

## **6. CTA'S OBLIGATIONS**

Replacement of eligible tires will be made by the dealer where you purchased your tires or by an alternate authorized Continental brand tire dealer or vehicle dealer authorized to handle Continental brand warranty adjustments ("Authorized Dealer"). CTA will replace the tire pursuant to the terms of this Warranty.

## **7. OWNER'S OBLIGATIONS**

To make an eligible claim under this Warranty, the owner must present a claim, as instructed herein, with the tire to an Authorized Dealer. For the nearest Authorized Dealer, consult the Continental brand internet address(es), or the 800 telephone number(s) shown on the back of this Warranty. Owner must present an original tire sales receipt and

proof-of-purchase indicating the date of purchase. Owner will be required to sign the CTA Limited Warranty Claim Form or dealer replacement sales receipt. Owner is responsible for paying all applicable taxes charged by the authorized servicing Dealer and is also responsible for paying shipping, local tire disposal fees any parts or service regardless of mileage or months of service. This includes payment for tire rotation, alignment, towing, road service, valve stems and tire repair.

Owner is responsible for maintaining proper tire air pressure and for proper maintenance of the tire. Under the Tread Wearout Coverage portion of this Warranty (see Section 4), owner must present a claim which includes the original, up-to-date Tread Wearout Coverage Rotation Schedule. Owner must rotate tires at least every 6,000 to 8,000 miles (10-13,000 kilometers) or sooner if uneven treadwear begins to appear.

## 8. TIRE REGISTRATION

The registration of Continental brand tires is an important safety precaution. Registration will allow CTA to notify the owner in the event of a product return program. Owner's tire dealer will provide a Continental brand registration card with the D.O.T. tire identification number recorded, along with the dealer's name and address. Owner is required to fill in his or her name and address, affix a stamp to the pre-addressed card, and mail the Continental brand registration card. Tire registration may also be completed online at [www.continentaltire.com](http://www.continentaltire.com) (US) and [www.continentaltire.ca](http://www.continentaltire.ca) (Canada).

### SSR TIRE OWNERS

Even a trained Specialist may be unable to recognize internal structural damage to a Self Supporting Runflat (SSR) tire resulting from having been driven in an under inflated or zero inflation pressure condition. Such damage may not be visible on the surface of the inner liner or sidewall making it impossible to determine the tire suitability for repair or reuse. CTA does not recommend any repair to or reuse of Continental SSR tires. You may visit [www.continentaltire.com](http://www.continentaltire.com) and select Customer Care FAQ's to obtain addition SSR information.

### CONTISEAL TIRE OWNERS:

A ContiSeal tire differs from a non-ContiSeal tire in that it has a sticky, viscous layer from shoulder to shoulder along the innerliner. This layer is an integral part of ContiSeal tires.

**It is not designed or intended to act as a permanent puncture repair (See information below).**

If an object up to 3/16" (5 mm) diameter penetrates the tread of a ContiSeal tire, this sticky, viscous layer is designed to surround and adhere to the puncturing object and prevent air loss from the tire by providing a near instantaneous seal. If the puncturing object becomes dislodged from the tire, the material is designed to seal most holes made by objects up to 3/16" (5 mm) diameter. While ContiSeal tires significantly reduce the incidence of flats, they are not designed to be driven under inflated or in a flat condition. In all other aspects, ContiSeal tires perform exactly like non-ContiSeal tires.

As with any tire, regularly inspect ContiSeal tires for evidence of cuts, punctures, and loss of inflation pressure. At a minimum, ContiSeal tires should be inspected once or twice a month and always before a long trip. Punctures or damage not attended to promptly can result in loss of inflation pressure and/or damage to the tire. ContiSeal tires with cuts and punctures must be inspected by a trained tire specialist as soon as possible. The trained tire specialist must inspect the tire carefully and, according to industry standards, to determine whether a permanent repair can be made or whether the tire must be removed from service and scrapped. A permanent repair will require removal of the tire from the rim and application of a repair method specifically approved for the ContiSeal tires.
