

## **Giti Warranty Policies Consumer Tires (PCR/LTR) (January 13, 2026)**

### **1.0 STANDARD LIMITED WARRANTY**

#### **1.1 Eligibility**

This Standard Limited Warranty Policy and Procedures (**“Standard Limited Warranty”**) applies to all new Consumer tires (PCR/LTR) purchased on or after **January 1, 2026**, sold or distributed under the Giti brand, bearing the corresponding D.O.T. tire identification number.

To be eligible, the following criteria must be met:

- Purchased in the United States or Canada;
- The tires were operated under normal service conditions and used on the same vehicle on which they were originally installed and according to the vehicle manufacturer’s recommendations;
- The consumer is the original purchaser of the tire.
- The tires are of correct size, load and speed rating for the make and type of vehicle;
- The tires were used on the proper road surfaces for which they were designed;
- The tires are not subject to an exclusion (see Section 1.3, *“What is Not Covered by the Standard Limited Warranty”*).
- The warranty claim procedure found under Section 2.3 “Owner’s Obligation”, is completed in full.

#### **1.2 What is Covered by the Standard Limited Warranty**

Upon examination by the Giti representative, any eligible Giti tire that has become unusable due to a condition attributable to materials and/or workmanship within 72 months from the date of manufacturing of the tire (DOT), and before the tire wears down to 2/32” (1.6 mm), and not subject to the exclusions in the section **1.3 “What is Not Covered by the Standard Limited Warranty”**, will be replaced with an equivalent new Giti product on the basis set forth in this Limited Warranty.

Adjustment on ride comfort or uniformity is allowed only during the first 2/32” of the original tread depth and within 12 months from the date of purchase (whichever comes first) supported with proof of purchase.

Any Giti tire that satisfies the above conditions which has become unusable due to conditions attributable to materials and/or workmanship will be replaced free of charge through a Giti Authorized Dealer. The cost of mounting and balancing and other service charges, disposal fees, or applicable taxes are payable by the consumer (i.e. vehicle owner / end user).

Any Giti tire that has been worn beyond the first 2/32” of the original usable tread depth which is adjusted under this Standard Limited Warranty due to workmanship and/or materials will be replaced with an equivalent new Giti product subject to a pro-rated charge through a Giti Authorized Dealer. The cost of mounting, balancing, and other service charges, disposal fees, or applicable taxes are payable by the consumer.

### 1.3 What is Not Covered by the Standard Limited Warranty

This Standard Limited Warranty does not apply to consumer (PCR/LTR) tires which have become unserviceable under (but not limited to) the following conditions:

- Purchased or used outside the United States or Canada;
- Incorrect size or load rating for the vehicle;
- Road hazard injury (e.g., a cut, snag, bruise, impact damage or puncture). For selected products covered by the Road Hazard Warranty please refer to section 3.0.;
- Improper use or operation, including improper inflation pressure, overloading, curbing, use of improper rim or wheel, improper mounting or demounting, tire/wheel spinning, misuse, misapplication, negligence, tire alteration, or use in competition or racing;
- Use in commercial applications for tread wear;
- Improper maintenance of tire, wheel, or vehicle components: misalignment, imbalance, worn components, or other vehicle conditions, characteristics or defects;
- Highway tires that are operated in on-off highway applications;
- Tires subjected to severe under-inflated or run-flat conditions;
- Improperly repaired tire;
- Uneven or rapid wear which is caused by mechanical irregularity in the vehicle such as wheel misalignment, (measured tread difference of 2/32" or more across the tread on the same tire);
- Accident, fire, chemical corrosion, or vandalism;
- Flat spotting caused by improper storage or brake lock;
- Contamination or degradation by petroleum products or other chemicals, solid or gaseous materials other than air, nitrogen or carbon dioxide (for example, water-based sealers or balancing substances);
- Ozone or weather cracking after 48 months from manufacturing date;
- With the serial number buffed, cut or illegible;
- With less than 2/32nds of an inch remaining tread in any groove;
- With a ride disturbance complaint that occurs after the first 2/32nds of tread wear;
- Damaged through use of any tube or flap;
- Damaged through improper use of tire chains;
- Use of Run Flat technology tires without a properly operating low air pressure warning system (TPMS – Tire Pressure Monitoring System).

### 2.0 LIMITED MILEAGE WARRANTY

This Limited Mileage Warranty applies to all new consumer (PCR/LTR) tires purchased on or after **January 1, 2026**, sold or distributed under the Giti brand bearing the corresponding D.O.T. tire identification number. The following Giti brand pattern designs are covered by a limited warranty for tread wear as follows:

<b>Tire Pattern</b>	<b>Mileage Tire Warranty *</b>
<b>GitiComfort XA1</b>	<b>70,000 Miles</b>
<b>WeatherSmart</b>	<b>60,000 Miles</b>
<b>GitiXcursion AT</b>	<b>65,000 Miles (P tires), 60,000 Miles (LT tires)</b>
<b>GitiXcursion XT</b>	<b>55,000 Miles (P tires), 50,000 Miles (LT tires)</b>

\* Half stated mileage warranty for rear of split fitment

## 2.1 Eligibility

To be eligible, the consumer (PCR/LTR) tire must meet the following criteria:

- Purchased in the United States or Canada.
- Giti will provide a prorated mileage credit towards the purchase of a comparable Giti tire. Vehicles with staggered fitments (e.g. front and rear tire sizes are different) cannot be rotated. Therefore, Giti warrants tires mounted in the rear axles of vehicles with staggered fitments only up to 50% of the warranted miles under the Standard Giti Mileage warranty.
- Is properly serviced and maintained, with periodic rotation, all evidenced by acceptable service records.
- Tread is evenly worn down to the top of the treadwear indicator bars.
- Was mounted within 60 months from the date of purchase;
- The tire is of the correct size and load rating for the make and type of vehicle;
- The tire has been used on road surfaces for which the tire has been designed;
- Original proof of purchase with installation miles must be provided;
- The tire is not subject to exclusion (see Section 2.2 “*What is Not Covered by the Limited Mileage Warranty*”).

Driving habits, driving conditions, road conditions, and vehicle maintenance all play a part in the tread life of a tire. If a tire does not reach the warranted mileage, and the owner of the tire has complied with the terms and conditions of the Limited Mileage Warranty, Giti will replace the tire as follows:

- Eligible Mileage Warranty claims are based on the tire being evenly worn down to 2/32” Remaining Tread Depth (RTD). If such point is reached before warranty miles are achieved, Giti will make an allowance for the difference of the warranted mileage versus the actual mileage achieved, toward the purchase of a comparable new Giti brand tire, prorated on warranted mileage. The mileage shall be measured on the properly functioning odometer of the vehicle under normal passenger car, SUV/CUV, or Light Truck use.
- The adjustment allowance for tires submitted with 3/32” or 4/32” RTD will be based on the warranted miles not achieved if the tire had been allowed to run down to 2/32” RTD.

The Authorized Dealer will calculate the replacement allowance by multiplying the percentage of the warranted mileage not received by the retailer’s selling price at the time and place of the adjustment.

## 2.2 What is Not Covered by the Limited Mileage Warranty

- Tires of incorrect size or load rating for the vehicle;
- Tires not rotated in accordance with the prescribed rotation patterns and mileage levels as recommended by either the vehicle manufacturer or Giti;
- Tires damaged due to road hazard injury (e.g., a cut, snag, bruise, impact damage or puncture);
- Improper use or operation, including improper inflation pressure, overloading, curbing, use of improper rim or wheel, improper mounting or demounting, tire/wheel spinning, misuse, misapplication, negligence, tire alteration, or use in competition or racing;
- Tires used in commercial applications including, but not limited to, police, taxi, Uber, Lyft , national account, government, or contract sales;
- Tires installed on any vehicle other than the vehicle on which the tires were originally installed;
- Improper maintenance of tire, wheel or vehicle components: misalignment, imbalance, worn components, or other vehicle conditions, characteristics or defects;

- Highway tires that are operated in on-off highway applications;
- Tires subjected to severe under-inflated or run-flat conditions;
- Improperly repaired tire;
- Uneven or rapid wear which is caused by mechanical irregularity in the vehicle such as wheel misalignment, (measured tread difference of 2/32" or more across the tread on the same tire);
- Tires damaged by an accident, fire, chemical corrosion, tire alteration, or vandalism;
- Tires which have flat spotting caused by improper storage or brake lock;
- Contamination or degradation by petroleum products or other chemicals, solid or gaseous materials other than air, nitrogen, or carbon dioxide (for example, water-based sealers or balancing substances);
- With the serial number buffed, cut, or illegible;
- Purchased or used outside the United States or Canada.

### 2.3 Owner's Obligation

To make an eligible claim under this 6 Year Limited Warranty and/or Mileage Warranty:

- Owner is responsible for proper maintenance of tire and vehicle, and maintaining proper tire air pressure;
- Owner is responsible to have the tires rotated every **5,000 to 7,000 miles** in accordance with prescribed rotation patterns as recommended by either the vehicle manufacturer or Giti. Owner must keep rotation records and present proof of such rotations for eventual warranty adjustments;
- When making a claim, the owner must present the tire(s) to be adjusted, with an original sales invoice showing the tire description, mounting mileage, and the date the tire(s) were installed, to an authorized Giti retailer. Once replaced, the tire(s) adjusted become property of Giti;
- Owner is responsible for paying all applicable taxes set forth under this Limited Warranty;
- Owner is also responsible for paying local tire-disposal fees and any parts or service, regardless of mileage or months of service. This includes payment for tire rotation, alignment, towing, road service, valve stems and tire repairs;
- The mounting, balancing, alignment, or any other services rendered to the vehicle shall be made by a service provider authorized to perform such services;
- No claim will be recognized unless submitted on a Giti claim form.

### 3.0 ROAD HAZARD WARRANTY

This warranty applies to any new **Giti GitiComfort XA1, WeatherSmart, GitiXcursion AT, GitiXcursion XT** brand replacement tire purchased on or after **January 1, 2026** used in normal service on the vehicle on which it was originally fitted and in accordance with the maintenance recommendations and safety warning contained in the vehicle's original owner's manual for the first 12 months from the date of purchase. At that time, all warranties, expressed or implied, expire.

If an eligible tire is rendered unserviceable due to a non-repairable road hazard (cut, tear, impact break or puncture) during the **first twelve (12) months** from the date of purchase, it will be replaced with a comparable new Giti product prorated on warranted mileage.

The retailer will calculate the replacement allowance by multiplying the percentage of the warranted mileage not received by the retailer's selling price at the time and place of adjustment.

A comparable new Giti product is a tire of the same line, or in the event that a tire of the same line is not available, a tire of the same basic construction and quality which differs only in sidewall or tread design.

If a higher price tire is accepted as a replacement tire or you wish to upgrade to a more expensive tire at the time of adjustment, you will be responsible for any additional costs of the replacement tire versus the original tire. All service charges (mounting, balancing or new valve) and applicable taxes are not included.

### **3.1 What is not covered by the Road Hazard Warranty:**

- Tires purchased before **January 1, 2025**;
- Ozone or weather cracking;
- The addition of liquid, solid or gaseous materials other than air, nitrogen or carbon dioxide (e.g. water-based sealers or balancing substances);
- Flat spotting caused by improper storage;
- Use in commercial applications for tread wear claims;
- Uneven or rapid wear which is caused by mechanical irregularity in the vehicle such as wheel misalignment;
- Tires used in commercial applications including but not limited to police, taxi, limousine, Uber, Lyft, etc.
- Tire damage of any kind caused by misuse, improper maintenance, overloading, racing, improper inflation, chain damage, high speed spin out(s), or the mechanical condition of the vehicle;
- Purchased or used outside the United States or Canada;
- Continued use while tire is flat or severely under inflated;
- Tires with DOT number cut or buffed. Tires must have Department of Transportation identification numbers;
- Tire damage due to wreck, collision, chemical contamination, fire or vandalism;
- Any Giti tire altered to change its appearance after date of purchase;
- Tire damage due to improper mounting/tire/wheel unbalancing or demounting;
- Any Giti tire that becomes unserviceable due to workmanship or material defects covered by the Giti Tire Limited Warranty.

### **4.0 90-DAY CUSTOMER TRIAL PERIOD**

All Giti brand passenger and light truck tires bearing the Giti name and D.O.T. numbers are covered by A 90-Day Trial Period. Purchase a set of Giti brand tires and try them on your vehicle up to 90 days from date of purchase. If you are not completely satisfied, just return them to the dealer where you bought them. Your Giti dealer will refund the purchase price.

The four tires must be purchased on the same day, mounted on the vehicle indicated on the invoice, and must be returned to the participating dealer where they were purchased within 90 days. This offer is available only to the original purchaser and is non-transferable. Other service charges or applicable taxes are not included. Online purchases and Giti brand tires applied as original equipment on new vehicles are not eligible. Commercial, racing, off-road use, improper load or misapplication, damage by road hazards or other abuse is excluded.

If not completely satisfied with the performance, the consumer may return the tires, with the original sales receipt and the specific reason they are not satisfied, to the dealer where originally purchased. At the purchaser's discretion, the dealer will either replace the tires or refund the retail purchase price. Other service charges or applicable taxes are not included.

#### **4.1 Dealer Return Process**

To start a claim, submit the Giti Warranty Claim Application Form along with the customer's original purchase invoice and all four DOT skives to:

GITI Tire (USA) Ltd. Technical Service Department, 10404 Sixth St., Rancho Cucamonga, CA 91730

## 4.2 Dealer Return Information

The dealer, at the discretion of the original purchaser, shall refund the full price of the tires as indicated on the sales receipt. Other service charges or applicable taxes are not covered and are payable by the original purchaser.
