

VREDESTEIN LIMITED WARRANTY

This Warranty only applies to the original retail purchaser, from an authorized Vredestein dealer located in the 50 United States or the District of Columbia or any province or territory of Canada, of a new replacement Vredestein-brand tire that was installed on a vehicle used for personal, family or household purposes, and that remain on the same vehicle on which they were originally installed.

This Warranty includes the following coverages (as described in more detail below):

- 30-Day Trial Period;
- Mileage Tread-Wear Coverage;
- Road Hazard Replacement Program; and
- Coverage for Defects in Workmanship and Materials.

30-DAY TRIAL PERIOD (QUATRAC5, ULTRAC VORTI R, ULTRAC VORTI, AND WINTRAC XTREME S TREAD DESIGNS ONLY)

If, for any reason, you are not satisfied with a new set of four Vredestein Quatrac5, Ultrac Vorti R, Ultrac Vorti, or Wintrac xtreme S tires installed on the same vehicle, you may return them to the original place of purchase for a full refund within 30 days after purchase.

MILEAGE TREAD-WEAR COVERAGE (QUATRAC 5 TREAD DESIGN ONLY)

If any of a set of four Vredestein Quatrac 5 tires installed on the same vehicle reaches the end of its "usable tread life" before 45,000 miles (72,420 kms), you will be given a credit toward a new Vredestein Quatrac 5 tire equal to the proportionate cost of the new tire for the difference between 45,000 miles (72,420 kms) and the number of miles that the original tire was used. (For example, if the original tire has been used for 30,000 miles (48,280 kms) when the claim is made, you will get a credit equal to one-third of the cost of the replacement tire.) In order to make a claim under this coverage, you must rotate the tires every 6,000 miles (9,956 kms) or as recommended by the vehicle manufacturer, and must provide evidence of rotation upon request.

ROAD HAZARD REPLACEMENT PROGRAM (QUATRAC5, ULTRAC VORTI R, ULTRAC VORTI, AND WINTRAC XTREME S TREAD DESIGNS ONLY)

You will be given a new tire, free of charge, if any of a set of four Quatrac5, Ultrac Vorti R, Ultrac Vorti, or Wintrac xtreme S tires installed on the same vehicle suffers non-repairable damage from puncture, snag, cut, bruise or impact break caused by road hazards (for example, nails, glass, potholes and other debris) before the earlier of the loss of 2/32" (1.59 mm) of tread depth or one (1) year from the date of purchase.

COVERAGE FOR DEFECTS IN WORKMANSHIP AND MATERIALS (ALL TREAD DESIGNS)

If any Vredestein-brand tire, or any of its component parts, fails due to defects in materials or workmanship appearing within one (1) year from the date of purchase and before the loss of 2/32" (1.59 mm) of tread depth, Vredestein will give you a new tire free of charge. If any Vredestein-brand tire, or any of its component parts, fails due to defects in materials or workmanship after one (1) year from the date of purchase, or after the loss of 2/32" (1.59 mm) of tread depth, but there remains at least 2/32" (1.59 mm) of tread depth on the tire, Vredestein will issue a credit to you equal to the original purchase price of the tire times the percentage of the original tread depth that remains on the tire at the time that it fails; that credit may be applied against the purchase price of a new Vredestein tire.

PROVISIONS THAT APPLY TO ALL COVERAGES

The above warranty extends only to the original retail consumer and does not extend to purchasers who are not consumers (e.g., commercial entities).

There are no express warranties on Vredestein-brand tires other than this Warranty. **ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE ARE LIMITED TO THE DURATION OF THIS EXPRESS WARRANTY.** Some states and other jurisdictions do not allow limitation on how long an implied warranty lasts, so the above limitation may not apply to you.

UNDER NO CIRCUMSTANCES, WHETHER FOR BREACH OF WARRANTY, NEGLIGENCE OR OTHER TORT, OR ON ANY STRICT LIABILITY THEORY, WILL VREDESTEIN BE LIABLE FOR ANY ECONOMIC LOSS, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES. Some states and other jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you.

This Warranty does not cover taxes or the cost of any services that you incur for anyone to inspect, attempt to repair or remove any tires covered by this Warranty, or to replace, handle, mount or balance replacement tires, or any other charges for labor (labour). Under all circumstances you will be responsible to pay those taxes and costs.

No claim may be made under this warranty after the expiration of 8 years from the DOT date printed on the sidewall of the tire.

Further, this Warranty does not apply to:

- Original equipment tires;
- Replacement tires provided under any warranty claim; or
- Tires damaged due to misuse or misapplication, road hazards (except under the Road Hazard Replacement Program), or mechanical problems with your vehicle, or tires used in any racing-related activities, professional or competitive events.

To make a claim under this Warranty, contact the dealer from which you purchased the tires. (If that dealer no longer exists, or no longer handles Vredestein tires, contact Vredestein at the contact details set out below.) You may be required to sign a claim form supplied by the dealer or Vredestein.

This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
